FINDS AIREDALES IN WEST.

Englishman Photographs Dogs Hunting Big Game in Rockies.

E. H. Stent, a veterinarian of Man-chester, England, is in the United States as one of a party purchasing remounts and artillery horses for the British Gov-ernment. While in Colorado among the foothills of the Rockies he espied some Alredales, and being a keen dog (ancier he followed the dogs and came upon the kennels of T. Williams, a well known breeder and importer of these dogs, who resides almost at the foot of Pike's

cations. It was decided to make the scope of the work State and nation wide and the name was changed to Dog Lovers Protective Association of America.

Incorporation papers are being prepared and the association will be conducted under the laws of the State of New York. Provision was made for the election of junior members under 21 years of age with annual membership fees of 25 cents.

The objects of the association are to protect all dogs and dog owners, to improve further canine conditions in New York city and to extend the association's influence so that it shall become a national power in the interest of the
